- Finance 101 – Wipro

# PREETHY VENKATASUBRAMANIAN

DEDICATED AND SKILLED PROFESSIONAL WITH **15.5 YEARS OF EXPERIENCE** IN **SOFTWARE TESTING**, INCLUDING **9 YEARS AS A TEST LEAD**, WORKED ACROSS **BANKING, FINANCE, AND RETAIL DOMAINS**

## WORK EXPERIENCE

### CAREER BREAK, Jun 2023 – Till date [2.5 years]

I took an intentional pause to focus on childcare. In the meantime, refreshing the areas that I worked and attending courses/webinars on testing to stay up-to-date.

### TECHNICAL TEST LEAD

**Infosys** | Bangalore, Karnataka, Jun 2014 – Jun2023 [9 years]

- Single point of contact for test planning, deliverables and test artifacts
- Managed a team of 20-25 QA professionals, ensuring smooth execution of testing activities
- Collaborated with clients and development teams to define test scope, formulate test strategy, and communicate objectives to the team
- Designed and implemented high-level test scenarios and developed an automation framework from scratch
- Led script development, peer reviews, and quality assurance processes, ensuring optimal test execution
- Conducted client demos, gathered feedback, and incorporated improvements for continuous quality enhancement

### TEST ANALYST

**Infosys** | Chennai, TamilNadu, Apr 2012 – Jun2014 [2.2 years]

- Created comprehensive test plans and test cases, ensuring 100% coverage of requirements
- Executed test cases and identified candidates for automation to enhance efficiency
- have done Proof of Concept (POC) for automation, selecting the best tools and strategies
- Developed and executed automation scripts, streamlining regression and functional testing
- Actively participated in defect triage meetings, collaborating with developers and stakeholders to resolve issues effectively

### QUALITY ASSURANCE ENGINEER

**JPMorgan Chase** | Bangalore, Karnataka, Apr 2011 – Apr2012 [1 year]

- Had been a Release coordinator - responsible for the release, allocating modules to team in ALM, sharing execution reports and defect summary with intended recipients, updating status on daily call, preparing MOM for the daily call
- Create manual test cases, prepare test data, create automation script, execute manual and automated test cases

### PROJECT ENGINEER

**Wipro** | Bangalore, Karnataka, Dec 2007 – Apr2011 [3.3 years]

- Requirement analysis, test case creation, test execution in QC, logging defects and tracking till closure, and sending test summary report

## EDUCATION

- Bachelor of Engineering in Electrical and Electronics at KLN College of Engg., TamilNadu (Affiliated to Anna University) in 2007 and secured 80%
- HSC and SSLC from TVSHSS, Madurai, TN in 2001 and 2003 with 93.8% and 93.75%, respectively
